The film stars the main lead pair of Arjun Kapoor and Genelia D'Souza in lead roles with Ali Fazal, Anupam Kher, Anil Kapoor and Sushant Singh in supporting roles. It is a remake of the Telugu film Podugu (2011) and also the 2012 South Indian Tamil film Podugu. The film was released on 19 July 2012. The movie was shot in New York. Plot Kannan (Arjun Kapoor) and Sridevi (Genelia D'Souza) are a happy married couple, and they have a happy relationship. Kannan is a sperm bank employee and Sridevi works as a hairdresser. Sridevi's friend from college, Priya (Sanjeeda Sheikh), recommends Kannan to help Sridevi find a donor for her baby. Sridevi also wants to have a baby, and her last relationship did not work out. Kannan and Sridevi visit the Aravind Eye Hospital, where Dr. Michael (Ali Fazal) is the gynaecologist in charge of infertility cases. After meeting with various sperm banks, they choose a male donor named Abhinav (Anupam Kher) to donate his sperm for Sridevi. Abhinav is a rich corporate lawyer who wants to get his company sold so he can move to London. Sridevi and Abhinav fall in love, but after they get to know about each other's families, they realise they can not be a good match for each other, and Abhinav leaves for London. Sridevi decides to search for another donor, and she becomes friends with a young unmarried couple, Ria (Anil Kapoor) and Kavita (Sushant Singh), who are college friends. Ria and Kavita are looking for a suitable match for their daughter. They meet Kannan at the hospital, and their lives begin to change. Kavita is admitted to a hospital due to an accident, and she and Ria get to know each other. Ria falls for Kavita, and the latter develops feelings for her as well. But they realise that Ria's father is a heart patient and she cannot get married until her father is cured. Kavita then suggests Sridevi, who is also unmarried and jobless, to be the donor for Ria's baby. Sridevi is initially 82157476af
